

Dear Colleague:

To maintain registration with the U.S. Agency for International Development (USAID), annual documentation should be sent within the six months following a U.S. private voluntary organization's (PVO's) fiscal-year-end date.

We are enclosing the Annual Submission Checklist, the optional PVO Classification Form, and the USAID Form 1550-2. The first page of the enclosed 1550-2 form has been completed for you. Please make any changes directly on this form. You may also access a blank 1550-2 form on the Internet at www.usaid.gov. The documentation should be sent to the following address:

**Mr. Marvin E. Kelley
Registration Coordinator
DIMENSIONS INTERNATIONAL, INC.
4501 Ford Avenue, Suite 1200
Alexandria, VA 22302**

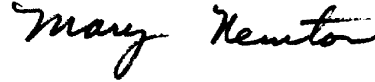

Please note that registration does not refer to programmatic capability, nor does it confer any official status of approval. It is not the purpose of registration to make, or to enable to be made, any representation to the public concerning the meaning of being registered. Promotional materials or advertisements suggesting otherwise will be grounds for removal from the PVO Registry.

In addition, all religiously-affiliated PVOs are required to maintain separate accounts for funds to be used for development and humanitarian activities supported by the United States Government (including USAID) and funds to be used for religious or church-related activities with significant religious or proselytizing purpose or content.

Religiously-affiliated PVOs may use their own funds for religious or sectarian purposes. These activities, however, must be separated from USAID-financed activities so as to avoid the appearance that USAID assistance subsidizes or endorses religion or promotes religious doctrines or religious indoctrination.

If you have any questions, please contact the Registration Coordinator, Mr. Marvin Kelley, at (703) 998-0601 or send an e-mail to mkelley@dimen-intl.com.

Sincerely,

A handwritten signature in black ink that reads "Mary Q. Newton". The script is cursive and fluid, with the first name "Mary" and last name "Newton" clearly legible.

SUBMISSION WILL BE CONSIDERED INCOMPLETE AND WILL BE DISCARDED WITHOUT THE FIRST THREE (3) DOCUMENTS LISTED ABOVE.

A PVO preparing an **Office of Management and Budget (OMB) Circular A-133** audit is to notify the Registration Coordinator of that fact within six months after its fiscal-year-end. The Registration Coordinator will then record a new annual submission due date for that PVO of nine months after its fiscal-year-end, in accordance with **OMB Circular A-133**, Subpart C, Section___.320(a).

USAID may revise the checklist of documents above from time to time. In addition, each registrant will submit such other information as USAID may reasonably require to determine that the applicant meets USAID's Conditions of Registration.

The Privateness Percentage

One of the prominent characteristics of a Private Voluntary Organization (PVO) is that it receives funds from private sources. For many years, Congress has sought to expand the role of PVOs in the development process. At the same time, Congress seeks to ensure that the private nature of PVOs continues. Accordingly, Congress requires a U.S. PVO to obtain at least 20 percent of its total annual financial support for its overseas activities from sources other than the U.S. Federal Government.

The AID Form 1550-2 and its supporting parts are used to compute the privateness percentage and to compile other information about PVOs for USAID's annual publication, *Voluntary Foreign Aid Programs: Report of Voluntary Foreign Agencies Engaged in Overseas Relief and Development* (VolAg Report).

The privateness computation shows the funding a U.S. PVO receives from non-U.S. Federal Government (i.e. private, state, and local government) sources for overseas activities as a percentage of its funding from all sources. Certain U.S. Federal Government grants and cooperative agreements are excluded from the privateness percentage test, see Part 3. **A U.S. PVO must demonstrate a privateness percentage of at least 20 percent to be eligible for development assistance from USAID.**

FORMULA

$$\text{Privateness Percentage} = \frac{\text{Overseas Program Expenses from Private Sources}}{\text{Total Overseas Program Expenses Less Excluded Activities}}$$
